Notice dated 23rd November 1909.

Notice is hereby given that a cane, which is reported to have probably belonged to some European gentleman, who stopped in the Channapatna travellers' bungalow on the 25th October 1909, lies unclaimed in this office. Any person claiming the cane as his, may appear before the Amildar of Channapatna, within six months from the date of the publication of this notice; failing which, the cane will be disposed of as unclaimed property, and the proceeds credited to Government.

B. J KUMARASWAMI NAIK,
Dist. Magte.

WATER-SUPPLY AND STORES DIVISION.

Notice dated 10th November 1909.

The public of Bangalore are hereby informed that in view to check wastage of water and afford convenience to house owners having pipe connections in effecting closing up of water-supply in cases of leaks, etc., arrangements are made to depute a fitter with an assistant to be at the City Superintendent's Office at Fort from 6 A.M. to 5 P.M., every day and anybody wishing to have his help, may speak to him in telephone from the nearest telephone station and avail of his help in stopping wastage of water by leaky taps.

Dated 22nd November 1909.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Water-Supply and Stores Division, up to 10th December 1909, for widening and repairing the Bethamangala Tank. An approximate estimate of quantities is given below These quantities are not guaranteed. The work should be completed by the end of March 1910.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore between the hours of 11 A.M and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 200 in cash or Government Promissory notes as earnest money and be superscribed "Tender for widening and repairing the Bethamangala Tank," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor whose tender has been accepted will be posted on the notice board in the Executive Engineer's office, in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8 On acceptance of one of the tenders the earnest money on rejected tenders will be returned.
